## Year-End Deadlines

---

Sensofar's factory is at capacity for this year but we still have few systems available for year-end delivery. S-Neox, S-Lynx 2, and a few OEM heads are still deliverable before December 30th. Any order placed after November 15th will be delivered after January 1st, 2025. Please contact us if you need year-end delivery.

## SMTA Irvine CA

---

We had a chance to participate in the SMTA event and show on November 5th. Great venue (check out the background in the image, yes those are some beautiful classic cars) with a good panel discussion about Ultra high-density

interconnects.
